Issue 4

Llanharry Cemetery

We are pleased to announce that we have purchased land to extend the existing Cemetery. We ask you to be patient whilst new hedges are installed and the old ones taken out. Please be assured that disruption will be kept to a minimum. We ask all Cemetery users to be vigilant and to inform us if they observe anyone putting rubbish into the Cemetery bins. We must stress that the bins in the Cemetery are strictly for Cemetery waste. Recently someone has been filling the bins with waste that does not come from the Cemetery i.e. bags of old cassette tapes. Consideration is now being given to the installation of CCTV!

Adult Gym Equipment

We are considering installing adult outdoor gym equipment at various locations around the park and we are looking for your views on what you would like installed. Information about the different types of equipment can be found on our website and you can let us know which are your favourites by emailing llanharrycc@live.co.uk.

Parking—Speeding

Motorists are reminded to consider others—road users and pedestrians, when parking for Spar or the Bear Inn. Parking is available to the front and rear of Ty Isaf Shops.

Motorists are also reminded that the maximum speed through the village is 30mph and 40mph down Red Hill!

Llanharry Community Council
would like to wish all residents a
happy, healthy and prosperous
New Year!

Saturday 29th October - Fireworks

Another year has passed us by and once again Llanharry hosted a wonderful fireworks display. This year had been easier for the few people that organise it, as Llanharry Community Council made a donation to pay for the Fireworks and the Christmas Event, which was gratefully received.

The evening started with a Disco and Fancy Dress competition. The children of the village and surrounding area did us proud with their enthusiasm and support. The Community Centre was packed with children dressed up in their Halloween costumes. It was nice to see them enjoying the event. A hog roast was available as well as crepes, coffee, welsh cakes, sweets and lots more. All of which were practically sold out by the end of the evening. The Pendragon boys experienced a technical hitch, which resulted in a delay but then a little later than advertised, it was on with the show and what a show! They do us proud every time! Thank you for your support, it was brilliant to see everyone enjoying themselves. A special mention for Logan Daddow, Callum Austin, Bailey Edwards and Dylan Edwards for the way they conducted themselves in welcoming people to the event and also for their help on the night and their tireless efforts in clearing up the next morning. They were outstanding!
