APOLOGY

We would like to extend an apology about the Christmas lights over the shops at Ty Isaf. This year they were powered from one of the flats above and unfortunately when they tripped just before Christmas no-one was available from Trivallis over the Christmas shut down to allow access into the flat to re-set the trip switch. Obviously this is not ideal and we aim to power these lights this year directly from one of the street lighting columns, with of course the agreement of Rhondda Cynon Taf County Borough Council Street Lighting Department.

War Memorial

We are hoping to have a war memorial in situ at Ty Isaf by November of this year to celebrate the end of the First World War.

GRANTS

Grants are available for local organisations. If you are interested in applying for a grant for your local organisation please request an application form or download it from our website.
